

Professional Learning that Empowers Literacy Leaders

Learning Ally Professional Learning Services are designed to strengthen educators' instructional capacity, so they can deliver a deeper, richer learning experience for struggling readers and promote better academic outcomes for all students. When educators are empowered, students succeed.

Virtual and In-Person Learning Options

When it comes to professional learning, flexibility is key. That's why Learning Ally offers both virtual and in-person sessions. We emphasize an engaged learning model, including action-planning and coaching. Educators receive practical take-aways and tangible next-steps that ensure an impact on their students' learning, immediately after they attend a session and down the road.

Virtual Professional Learning

- One 90-minute virtual session (for up to 30 attendees)
- One 45-minute virtual coaching follow-up session

In-Person Professional Learning

- Pick three courses for up to six hours (for up to 30 attendees)
- One 45-minute virtual coaching follow-up session

The Engaged Learning Model

The Learning Ally Professional Learning Services utilize an engaged learning model. Attendees are active participants, completing a series of activities that emphasize exploration, discovery and practical classroom applications, for a truly collaborative learning experience. Activities and resources include:

- Coaching and action-planning based on participants' own instructional scenarios
- Applied learning scenarios and in-depth problem solving
- Break-out sessions facilitated by master teachers and coaches
- Interactive white boards, polling tools, and dynamic virtual tools to maximize engagement conducive to reading.

At Learning Ally, we know the way you teach has changed. That's why our approach to professional learning has changed too.

Our courses feature actionable strategies specially designed to reflect these changes, helping expand educator capacity and efficacy, whether they are distance learning novices, experts, or somewhere in between.
