

Excite Reading™ & Diversity, Equity, Inclusion (DEI)

Excite Reading™ helps districts create an equitable and inclusive learning environment for PreK-2 students. Our reading solution can help your school achieve its goals related to diversity, equity, and inclusion for positive student outcomes. We have a growing library of hundreds of e-books and lessons to help save teachers valuable time.

DIVERSITY

- ❖ Representative stories help all students and their families feel a sense of belonging in school communities
- ❖ Hundreds of e-books that you and your students will love support diversity, equity, and inclusion
- ❖ Family Activity learning extensions empower caretakers to support student learning outside of school
- ❖ Lesson adaptations address English Language Learners (ELL) and Multilingual Learners (ML) in Book Guides

EQUITY

- ❖ Model fluency for all students and their families regardless of their native language
- ❖ Vocabulary and background knowledge skill development help all students, regardless of their literacy and life experiences, build deeper connection to text for true reading comprehension
- ❖ Accessibility to high-quality digital learning opportunities for all students
- ❖ An equitable reading solution for all students provides access to authentic literature narrated by professionals

INCLUSION

- ❖ Formative in-book assessments help teachers monitor individual reading comprehension and adjust instruction for differentiation to meet the needs of all students
- ❖ Strategies help build culturally responsive and inclusive school communities where students feel safe and valued
- ❖ Flexible implementation meets the needs of all students including whole group, small group, stations/centers, independent reading opportunities, etc.
