# Professional Learning that Empowers Every Educator to be a Literacy Leader

Learning Ally offers a suite of professional learning services grounded in our Whole Child Literacy Approach™ that have a sustained impact on educator behaviors and instructional outcomes. When educators are empowered, students succeed.

## Learning Ally Professional Learning Services™

Each of our professional learning services is driven by the science of reading and an understanding of the cognitive variables and external influences of home and environment that may impact learning. Our team, made up of master teachers, literacy coaches, and specialists, employ a methodology that ensures educators can effectively customize instruction to change achievement trajectories according to the needs of their students.

### PRODUCT-FOCUSED PL COURSES
