ELIGIBILITY GUIDE

The Learning Ally Audiobook Solution

Who is Eligible?

The Learning Ally Audictocol: Solution is a proven multi-sensory reading accommodation for students who fail into one of the following three categories.

1. READING DEFICIT

A reading dehot is determined by a student's need for a reading accommodition due to an impairment in decoding, fluency and/or comprehension that does not allow a student to keep up with content at the same level as students without an impairment kn IEP or 504 is not required.
